## SSPES'S GOA MULTI - FACULTY COLLEGE DHARBANDORA - GOA

### FROM THE PRINCIPAL'S DESK

**DR. MANASVI KAMAT  
PRINCIPAL**

It's an honour to pen the editorial in yet another issue of GMFC Times. As the first half of the academic year is coming to an end culminating with the examinations, the pictorial details in this current issue will candidly illustrate how busy and eventful our lives have been. The Gyan Kosh and GMFC Spotlight section speak volumes about the ardent efforts taken by all our departments to correlate class learning with experiential learning, through field visits and industry interaction. Our students also performed relatively well in Inter collegiate Chess, Tennikoit, Cross country and Football. Our hard efforts on the ground paid off with our student biting the Silver medal in the Inter collegiate Judo event. I am happy to state that my writing has a wider audience of lakhs through the two regular columns I pen in the Goan and the Pan-Indian newspaper. Our faculty as usual excelled in academic writing so did our college team in Intercollegiate quiz competition. Who says strength and wisdom doesn't go together? We did so at the GMFC ! Read this issue to believe me.
