xix. Games and Sports Facilities

The following sports equipment and facilities are presently available in our college for the benefit of students:

- Volleyball Court
- Carrom Boards
- Chess Sets
- Cricket Kit
- Footballs
- Tennis Equipment (Racquets and Balls)
- Javelin (Athletics)
- Shot Put (Athletics)
- Discus (Athletics)

The college encourages active participation of students in both indoor and outdoor sports activities as part of their overall physical and mental development. Indoor games such as carrom and chess are regularly conducted within the campus premises, promoting strategic thinking, concentration, and recreational engagement among students.

The volleyball court within the campus is utilized for regular practice sessions, friendly matches, and team selection trials for inter-collegiate competitions. Basic sports equipment is maintained and made accessible to students to ensure continuous practice and skill enhancement.

At present, while functioning in the temporary premises for large-field games and athletics events, football, cricket, and athletics practice sessions are conducted at the Sanjivani Sugar Factory Ground, which provides adequate open space and suitable conditions for systematic training. This arrangement enables students to train effectively under proper field conditions and prepares them to compete confidently at Inter-Collegiate, University, and other competitive levels.

The college remains committed to strengthening its sports culture by encouraging participation in various tournaments and events, thereby fostering teamwork, discipline, leadership qualities, and physical fitness

among students. Continuous efforts are being made to enhance sports infrastructure and provide better facilities in the future.

xx. Teaching Learning Process

Regular Classes are conducted using modern teaching-learning pedagogy tools. Moving beyond traditional lecture, method approach, case studies, group discussion, presentations, role plays, experiential exercises form a part of pedagogy. Learning is outcome based with question papers for the exam being set in accordance Bloom's taxonomy. Regular feedback is taken from students, parents, industry executives to ensure that curriculum is relevant and up to date.
